

Model United Nations

Oct. 22, 2018 Meeting

Summary

1. Upcoming Patchogue-Medford Conference
2. Mock Debate

Meeting Information:

Upcoming Patchogue-Medford Conference

- See Ms. Botta in room 127 for a permission slip to attend this year's conference at Pat-Med High School on November 17th & 18th. Delegates must attend both days and dress appropriately.
- After handing in permission slips, country and committee assignments will be posted on the door of Rm. 127. The link to background guides for committees will also be made available so delegates may do research on their topics.
- Make sure you have signed into the remind (Text @patmedmu to 81010) as many messages and updates are shared through remind.
- Can your parents help serve food either day of the conference? See Ms. Botta for a form if they can!

Mock Debate

- This Wednesday, Oct. 24, 2018, there will be a mock debate regarding nuclear proliferation. All new delegates are strongly suggested to attend, as it will be a great way for you to learn and observe how debate goes on.
- Sign up by the end of the day on Tuesday. Only sign up if you can stay for the full time until approximately 4pm. Ms. Botta will be ordering pizza and beverages and will therefore need an accurate count of students, so please sign up if you are attending. Pick up a nuclear proliferation info sheet from Rm. 127 if you are attending.
