3. Conferences: The most significant time commitment for Model UN are the conferences. Here are some details...

- Each conference requires a signed permission slip and paid conference fee. Permission slips are handed out at meetings or at times on a “pick one up” basis. Fees can range from \$20 - \$35.
- If you sign up for a conference you must be able to attend on both days when the conference is a two-day event.
- At some conferences space is limited (and they do fill up!) Your spot is reserved when you bring in your permission slip AND fee.
- Students must wear Western business attire to conferences – you WILL NOT be overdressed!
- You do not have to attend every conference

4. Training: ALL students must attend one training session to be offered on the following dates from 2:00 – 3:30.
